

Application & Agreement

This Application is being submitted to BPA as Applicant's offer and will constitute a binding legal agreement if and only if BPA grants this application under the terms of its participation requirements, as described below.

Company [Legal Name] _____

Business or Trade Name [if different than above] _____

*If Applicant is a current approved commercial and/or industrial lighting Trade Ally of Energy Trust of Oregon, Inc., YOU ARE NOT REQUIRED TO COMPLETE SECTION 1 IF YOU CHECK THE BOX BELOW. ALL APPLICANTS MUST COMPLETE SECTIONS 2 AND 3.

EXISTING TRADE ALLIES: By checking the box below, Applicant agrees as follows: (1) I represent and warrant that I am an active commercial and/or industrial lighting Trade Ally of Energy Trust and that Applicant's SECTION 1 information previously provided to Energy Trust is still current and up to date, (2) I hereby authorize Energy Trust to release to BPA and its authorized representatives all of the Trade Ally information previously provided by Applicant to Energy Trust, and (3) I understand that if I am approved as a participant in the NW TAN by BPA that it in no way affects the terms and conditions of my Trade Ally agreement with Energy Trust and that approval of this NW TAN Application by BPA and my participation in the NW TAN does not mean that I am approved as a Trade Ally for Energy Trust. Participation in the Energy Trust Trade Ally network is separate from this Application and is governed by your individual agreement directly with Energy Trust.

YES! I understand and agree.

SECTION 1: Applicant is not required to complete this section if the box above is checked; however, BPA reserves the right to request additional information from Applicant if it determines that additional information is necessary. (Note: Companies with multiple sites in the Northwest, please attach separate information for each location)

SECTION 3: This is an Application to become a participant of the Northwest Trade Ally Network (NW TAN) sponsored by the Bonneville Power Administration. The participation requirements are provided below:

Information provided on this Application is true and correct to the best of Applicant's knowledge at the time such statements were made. Said information will be listed on the NW TAN's Commercial & Industrial Lighting website and will be used by BPA to support the sales and installation of energy efficient lighting projects in the region. If BPA grants your application to participate in the NW TAN, you will receive an Application Approval Notice via the contact information you have listed here. As a participant in the NW TAN, you have an ongoing obligation to update BPA of any change to the information that you have provided on this application.

Applicant agrees that BPA, regional utilities, public benefits administrators¹, and Evergreen Consulting Group, LLC (the "Identified Entities") are not endorsing Applicant or endorsing or warranting any equipment sold or installation completed by Applicant. Under no circumstances shall the Identified Entities be liable to Applicant or any third party for any direct or indirect losses, costs or damages arising from Applicant's participation in the NW TAN or related to any equipment or installation of energy efficient lighting projects, and Applicant specifically indemnifies the Identified Entities therefrom.

Applicant is and agrees to represent itself as an independent contractor or business and at no time will Applicant represent itself as an agent or representative of any of the Identified Entities.

Applicant shall comply with all laws and maintains all appropriate licenses and certifications for the work they are performing and is solely liable for its noncompliance with said laws, licenses, and certifications.

Applicant understands that this NW TAN participation agreement may be terminated by the NW TAN trade ally or BPA for any reason, at any time. Termination is effective upon written notice being delivered to the other party at the address listed for such party in this Application.

¹including, without limitation, Energy Trust of Oregon, Inc.

By signing this Application, I represent that I am authorized to sign this application on behalf of Applicant and that the information provided on this application is true and correct and that I will notify BPA immediately of any changes. I acknowledge that I have read, understand and consent to the requirements listed on this NW TAN participation agreement.
